PRESIDENT'S MESSAGE

Another month has gone by so I better get with it and get a message to the Editor.

January was the month for all chapters to send a list of their membership and officers to the National Secretary. If you haven't done it, please do.

The new membership roster has been printed and you should have received it by now. Please use it as you travel.

Chapters need to let the Editor know when you are hosting your get togethers, picnics, car shows, etc. so that they can be published in the FCA Bulletin. Some of the FCA members who are traveling might like to attend some of these functions.

Take care.--Jim Hatcher, FCA President

VICE-PRESIDENT'S MESSAGE

As you read this March issue, less than four months remain for making plans to attend the Suncoast Chapter's first Regional meet (June 13-16, 1991). You can't beat Florida weather and when combined with Florida and Carolina hospitality, you've got a definite winner! If at all possible, plan to attend this FCA function, drop Diane Amey a line, and send in your registration as soon as possible. Let's all make this Suncoast/Carolinas Regional a huge success.

Post Script: I know that you believe you understand what you think I said, but I am not sure you realize that what you heard is not what I meant.

Love ya all.--Marty Martin, FCA Vice-President

A WORD FROM THE EDITOR

Needed: pictures, articles, tech helps, etc. for consideration for inclusion in THE FALCON NEWS. Our on-hand supply of articles submitted by FCA members has been used up, and we would like to hear from you.

An inadvertant printing error led to the reversal of pages 3 and 14 in the February issue of THE FALCON BULLETIN. Our apologies.

FCA member Jim Inman reports that his 62 Falcon sedan has been driven 297,000 miles. He suggests a new survey to determine Falcons with the most mileage. Send us a post card with your mileage.
